

2021-2022 SNAP CLASSES

Dear Parents and Friends,

The Borough of Westwood and the Township of Washington Recreation Departments have formed a joint venture to create a year-round program for children and young adults with special needs. Our goal is to provide positive recreational and social experiences for all of our participants. The program is open to any child ages 3-21 who has a physical or learning disability.

Our staff and volunteers are dedicated to making this year's activities fun and rewarding to meet the varied interests of our young residents. *Note: For the 2021-2022 Sessions, Covid-19 safety precautions may be necessary including masks and distancing.*

We look forward to seeing everyone back in the Community Center and on the fields!

Sincerely,

Gary Buchheister
Westwood Recreation Director
