ORDINANCE NO. 96-20

An Ordinance entitled: "Regulation of Dumpsters and Similar Devices."

WHEREAS, the Borough of Westwood wishes to supplement the Code of the Borough of Westwood by the addition of a new section entitled, "Regulation of Dumpsters and Similar Devices."

NOW, THEREFORE, BE IT ORDAINED by the Borough Council of the Borough of Westwood that the Code of the Borough of Westwood shall be amended and supplemented by the addition of the following new section entitled, "Regulation of Dumpsters and Similar Devices."

1. No dumpster, rolloff container or other device for the placement, storage transport or accumulation of solid waste construction debris or recyclable material may be placed upon any public street of the Borough of Westwood without a permit.

2. The issuance of permits shall be administered by the office of the construction official.

3. No permit shall be issued except where on site conditions are such that the device cannot be reasonably accommodated on said site as a consequence of adverse topography, retaining walls, fire, safety and like considerations.

4. Where a permit has been issued, the device must be removed within 48 hours or within 24 hours of its being filled to capacity whichever first occurs. In those instances where a permit has been issued and more than one device is required due to the quantity of materials, an empty device may be placed at a location upon the removal of a filled device without the necessity of a new permit provided that the total elapsed time for the existence of any number of such devices shall not exceed five (5) days.

5. Any device placed on a public roadway shall be situated at least fifty (50) feet from the nearest intersection, ten (10) feet from the nearest driveway and may not obstruct more than eight (8) feet of space measured perpendicularly from the curb (or edge of pavement where no curb exists) toward the center line or midpoint of the paved road surface.

6. All dumpsters shall bear the name, address, telephone number and D.E.P. permit number of the owner thereof prominently displayed upon the exterior of the device.

7. Every device placed upon a public roadway pursuant to this ordinance

shall have not less than ten (10) square inches of reflective material facing each direction of travel which devices shall be placed so that fifty percent (50%) of said reflective materials shall be located at the corner of the device nearest the center line of the roadway upon which its placed. In addition, each device shall have two (2) reflective rubber cones not less that twenty-four (24) inches in height placed ten (10) feet from the device towards the direction of travel of approaching motor vehicles midway between the curb line and the portion of the device nearest the center line.

8. No device shall be permitted to remain on a public street that is leaking any fluids of any type, or which contains noxious hazardous material or material from any location other than the location for which the permit is issued.

9. Whenever a device is found to be in a condition other than in compliance with the provisions of this ordinance, the construction code official is authorized to call the owner of said dumpster and order its removal. Noncomplying dumpsters not removed within twenty-four (24) hours may be removed by the Borough and impounded pending payment of the costs of removal, tipping charges or other expenses incurred by the Borough.

10. Fees and Application: Application for placement of a dumpster pursuant to this ordinance can be obtained from the construction official, fees for the filing of an application shall be as follows:

A. Applications made at or prior to the issuance of a related building or construction permit - \$25.00;

B. Applications made subsequent to the issuance of a permit or where no other permit was required or where a permit was required but not applied for - \$50.00.

11. Violations and Penalties: Any person or entity violating the provisions of this ordinance shall be liable for a fine of not less than \$75.00, no more than \$250.00 per each day or part thereof in violation of this ordinance.

Any ordinance or part thereof which is inconsistent with the provisions of this Ordinance shall be and is hereby amended.

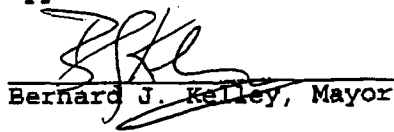

If any section, subsection, part, clause or phrase of this Ordinance shall be declared invalid by judgment of any court of competent jurisdiction, such section, subsection, part, clause or phrase shall be deemed to be severable from the remainder of this Ordinance.

This Ordinance shall take effect immediately upon final passage and publication as required by law.

ORDINANCE NO. 83-3

AN ORDINANCE TO AMEND CHAPTER 64-  
GARBAGE AND RUBBISH COLLECTION OF  
THE CODE OF THE BOROUGH OF WEST-  
WOOD.

BE IT ORDAINED by the Mayor and Council of the Borough of Westwood that Chapter 64 of the Code of the Borough of Westwood shall be amended by the addition of the following to Section 64-4:

"(d) Special placement requirements shall be applicable to dumpsters. For the purposes of this Ordinance a dumpster is any container which is intended or actually used for the storage of trash or rubbish and which has a capacity in excess of 55 gallons;

(e) No dumpster shall be stored inside of; or within 25 feet of any exterior wall or roof overhang of any building within the Borough of Westwood unless the specific location for said dumpster has been approved by the Code Enforcement Officer and Fire Prevention Bureau of the Borough of Westwood, in writing. Persons desiring to store a dumpster in a location pro-

scribed by this Ordinance shall apply to the Building Inspector and Fire Prevention Bureau in writing and only written approvals from said official shall be operative. The standard to be used by the Fire Prevention Bureau and Building Inspector in considering such requests shall be the standards generally applicable pursuant to the existing Statutes of the State of New Jersey and the Code of the Borough of Westwood plus the additional standard of whether the placement of the dumpster in the requested location can be accepted without increasing the risk of fire to the dumpster or any structure."

This Ordinance shall take effect twenty days after the first publication thereof after final passage.
